Fees: ₹23,000

Duration: 40 days

Classes: Live on Zoom meeting

Level: Beginner to Advanced

Batch: Coming soon

You get: Certificate, notes and recordings of all live classes

Day-wise syllabus

Day 1	Foundations I — The Horoscope What a horoscope (kundli) is, how a birth chart is built, North and South Indian chart styles, and the Ascendant (Lagna).
Day 2	Foundations II — The 12 Signs The twelve zodiac signs: their nature, ruling planets, elements and the qualities each one brings to a chart.
Day 3	Foundations III — The 9 Planets The nine planets (Grahas): what each one represents, its natural significations and the areas of life it rules.
Day 4	Foundations IV — The 27 Nakshatras The 27 Nakshatras with their lords and padas, and how the Moon's Nakshatra shapes personality and timing.
Day 5	Planetary Nature I Natural benefics and malefics, planetary friendships and enmities, and how the nature of a planet changes in different signs.
Day 6	Planetary Nature II Functional benefics and malefics for each Ascendant, and how to judge which planets help and which trouble a chart.
Day 7	Sign Classification Movable, fixed and dual signs; odd and even signs; elements and directions, and how this classification is used in predictions.
Day 8	The 12 Houses I Houses 1 to 4: self, wealth and family, courage and siblings, home and mother — and what each house governs.
Day 9	The 12 Houses II Houses 5 to 8: education and children, health and service, partnerships, transformation and longevity.

Day 10	The 12 Houses III Houses 9 to 12: fortune, career, gains and losses; Kendra, Trikona, Dusthana and Upachaya house groups.
Day 11	Strength I — Dignity of Planets Exaltation, debilitation, own sign, combustion and retrograde motion, and how they raise or lower a planet's results.
Day 12	Strength II — Aspects & Conjunctions Planetary aspects (drishti), conjunctions and their effects on houses and planets.
Day 13	Transit (Gochar) How transiting planets act on the birth chart, with focus on Saturn, Jupiter, Rahu and Ketu, including Sade Sati.
Day 14	Dasha System Vimshottari Dasha: Mahadasha and Antardasha, how to read the running period and the timing of results.
Day 15	Reading a Chart Step by Step A complete practice session: reading a full chart in a fixed order, from Lagna to the dasha running now.
Day 16	KP Astrology I — Introduction The KP system: cusps, star lord and sub lord, and how KP differs from traditional Vedic analysis.
Day 17	KP Astrology II — Significators Finding significators of houses, grouping houses for events and judging whether an event will happen.
Day 18	KP Astrology III — Timing Timing events with dasha, bhukti and transit in KP, with live examples.
Day 19	Nadi Astrology I Introduction to Nadi principles, planetary links and how Nadi reading builds a story from the chart.
Day 20	Nadi Astrology II — Practice Reading real charts through Nadi principles and cross-checking results with Vedic and KP.
Day 21	Education Predictions I Houses and planets of education, learning ability, subject and stream indicators.
Day 22	Education Predictions II Higher studies, competitive exams, breaks in education and the timing of success.
Day 23	Property I Houses and planets of land, home and property, and the indications of owning a house.
Day 24	Property II Timing of buying, selling and construction; obstacles and delays in property matters.

Day 25	Vehicles Planets and houses of vehicles, the timing of purchase and the chart indications of vehicle comfort and trouble.
Day 26	Health I Health houses and planets, body parts by sign and house, and the chart's indications of recurring illness.
Day 27	Health II — Accidents & Surgery Chart indications of accidents, injuries and surgeries, and the periods when care is needed.
Day 28	Travel & Abroad I Houses and planets of travel, relocation and foreign connections.
Day 29	Travel & Abroad II Foreign settlement, study or work abroad, and timing of travel in the chart.
Day 30	Career I The 10th house and career indicators: job, profession and what field suits a chart.
Day 31	Career & Finance II Wealth houses, job versus business, income flow and the periods of financial growth or pressure.
Day 32	Marriage & Relationships I The 7th house, Venus and Jupiter, partner indications and basic compatibility.
Day 33	Marriage & Relationships II Timing of marriage, delays, relationship problems and how to read them in the chart.
Day 34	Children Houses and planets of children, indications of childbirth and the timing of it.
Day 35	Longevity I The principles of longevity in astrology and how to read them responsibly.
Day 36	Longevity II Maraka periods, Balarishta and how to counsel with care instead of fear.
Day 37	Prashna / Horary I Horary astrology: casting a chart for the moment of the question and reading it.
Day 38	Prashna / Horary II — Practice Answering real questions through Prashna, with live examples.
Day 39	Ruling Planets & Intuition Using ruling planets for exact answers and developing intuition in reading charts (Intuitive Awakening Training).
Day 40	Revision, Live Case Studies & Certification Revision of the full course, live case studies and practical exposure, and course completion and certification.
